

International Association of Sheet Metal, Air, Rail and Transportation Workers Local Union No. 285 - SM

April 30, 2025

TO ALL LOCAL 285 TORONTO SHEET METAL AND GAS FITTER MEMBERS

Dear Members,

We want to provide you with an important update regarding our ongoing contract negotiations. Despite continued discussions, we have not yet reached a tentative agreement with the Contractors Association.

Although our Agreement expires on April 30th, 2025, we are asking all members to continue working as usual under the current terms of the contract.

In preparation for the next steps, a Special Called Membership Meeting has been scheduled for May 15th, 2025, at the Terrace Banquet Hall located at 1680 Creditstone Rd, Concord, commencing at 5:30 pm Sharp.

At this meeting, we hope to have an offer to vote on, if not we will be holding a strike authorization vote.

If an agreement is reached before May 15th, 2025, we will hold the Special Called Membership Meeting earlier if possible. Please note that all Negotiation updates will be posted on our Facebook page (SMART Local 285), website (www.smwia285.ca) and will be emailed.

In Solidarity,

Alex Petricca
